LEONCINO 800 TRAIL FEATURES

THE LION CUB

Staying true to Benelli heritage the front mudguard sports the Lion

EXHAUST

The new double exhaust in higher position defined the bike silhouette and gives it a rally spirit. The exhaust was developed specifically for the Trail version, as well as the number plate holder and the heat shield on the side, which also bring out the off-road inclination of this model

LED HEADLIGHT

Full LED lighting, front and rear, with an authentic and sophisticated design, brought out by the arc and Benelli Leoncino logo at the centre

FUEL TANK

The muscle, carved-out lines of the steel tank are in common with Leoncino 800; designed to bring out the power and dynamic appeal of this motorcycle, it features the distinctive arc, this time matched with two bumpers on the tank guard
