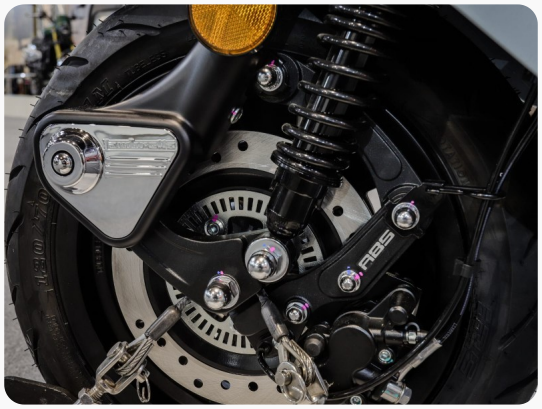
X125 FEATURES

OUR SIGNATURE IN A FUTURE DESIGN

Our scooters are dedicated to those who seek to stand out, to those who value the blend of classic allure and modern functionality. The Lambretta grill is your key to a world where tradition and individuality ride hand in hand, offering an escape from the mundane, into a realm of elegance and freedom.



DOUBLE ARM-LINK WITH BOSCH ABS BRAKING SYSTEM

Lambretta's X300 redefines the fusion of timeless style and innovative engineering with its state-of-the-art Bosch Dual Channel ABS braking system and the revolutionary double arm-link suspension. The X300 isn't just about capturing the essence of classic design; it's about elevating it with modern functionality to meet the demands of today's discerning rider.

TAIL LIGHT, A BEACON OF ITALIAN FASHION

Crafted with the precision and passion characteristic of Italian design, the Lambretta X tail light is a masterpiece of aesthetic and functional innovation. Its unique shape and the warm glow it casts are not just seen but felt, embodying the spirit of adventure that lies at the heart of every Lambretta journey. This distinctive design ensures that, even from a distance, the path of a Lambretta rider is unmistakable, leaving an impression that is as lasting as it is bright.

LSP HIGH PERFORMANCE ENGINE

The LSP (Lambretta Super Performance) 125cc engine is meticulously crafted to embody endurance. Its robust design is built to withstand the demands of extended journeys, ensuring that reliability is a constant companion on every adventure. Riders can expect not just spirited acceleration and responsive power from its 24.8 Bhp output but also the peace of mind that comes with Lambretta's legendary durability. This engine doesn't just meet expectations; it surpasses them, offering a level of endurance that Lambrettisti have come to trust from the Lambretta name.
